Club Corner with Emily & Jane

Emily, Lexie and Jane - Winter Wineland 2017

Much has happened in our world since last we wrote. Don't worry—this conversation is not about to get political, only relational as we move into 2017. We are delighted that you are choosing to continue with us in our club family this year!

Wilson Getaways

Things slow down at the end of the year allowing a few of us to slip away for vacation. As you may have heard, Ken and Diane recently acquired an estate in the Mexican beach village of Troncones where the family vacationed for the holidays. The hacienda is available for reservations by club members if you too would enjoy time to relax and live life at a slower pace! **Beachfront Getaway Information**

Emily and Jane also took their own vacations. Emily enjoyed a week in the Caribbean (St. Maarten) getting some much needed rest and sunshine, courtesy of lovely club members who gifted her their timeshare. Jane took the least glamorous vacation of all to the Central Valley, but very much enjoyed spending a week with her family.

Drought Ended in Sonoma County!

2017 has brought lots of rain and some flooding to Sonoma County officially ending the drought! This season we have had over 60 inches to date with more to come. The land is definitely getting a good soaking this winter. Good thing the vines are dormant! With spring on the horizon, the vineyards will soon come alive with renewed energy for the 2017 vintage.

You may want to mark your calendar for our **White Water Rafting Trip** in July. With the largest snowpack in years, we are anticipating a wild ride down the American River!

New Website!

As we start the new year, we are most excited that you are able to access this newsletter on our brand new website!!! Our goal is that our online presence will enhance your personal experience when visiting or ordering from Wilson Winery. Our website is a work in progress that will evolve as we update and expand from this platform. When our shopping cart is complete, you will be able to update your shipping address and credit card number on file, obtain updated information on current wines released with pricing as well as accolades and vineyard information. Until our shopping cart is updated, please continue to speak/email with Jane or Emily to update your accounts.

We value your input as we move forward with this project in the coming year. The website has the same address but an entirely new look and updated information. After you finish reading this newsletter, we hope that you take some time to explore all that our new website has to offer: **wilsonwinery.com**.

Club Wilson Packet

Included in your March club shipment will be your new Club Wilson packet listing out, in detail, the breadth of your club benefits with Wilson Winery. We wanted to collect all this information in one place to ensure that your member experience will be all that we envision.

2017 Event Calendar

Also slipped into the March shipment will be your Club Wilson events magnet. We will soon have the ability to upload detailed event information to our online events calendar to give you immediate access to this information. For this reason we have eliminated this section of the newsletter. Wilson has a full calendar this year:

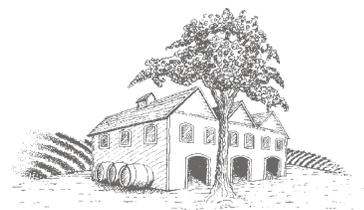

- **PASSPORT TO DRY CREEK VALLEY** We will again be participating in local industry events such as Passport
- **SPECIAL CLUB TASTINGS** at the winery of newly released gold medal wines from the San Francisco Chronicle (February) and the Sonoma County Harvest Fair (October)
- **OFF-SITE TASTING EVENTS** in San Francisco and Houston
- **LOCAL CLUB EVENTS** ranging from food and wine experiences at our estate vineyards to rafting on the American River
- **TRAVEL ADVENTURES** such as our cruise on the Adriatic

While Emily travels to Texas and Europe for these club events, Jane will stay close to home so she can continue to provide consistency in customer service to all of you! If you can't join us for one of the events we have listed, our hospitality staff will be sure to make your tasting room visits memorable. For information on our new tasting room experiences, [click HERE](#).

We hope to see you soon!

Cheers,

Emily & Jane
