

# 2017 Coyote Reserve Cabernet Sauvignon

## Artist Collection, Dry Creek Valley

### TASTING NOTES

Deep ruby in the glass, this wine is intriguing upon first encounters. Offering expressive aromatics of peppery cassis and eucalyptus followed by the fresh smell of cedar. The palate is filled with notes of blackberry fruit leather and umami that seamlessly lead to tannins that coat the mouth with a warm, sweet and savory finish. The beautiful intensity of fruit and supple evolved textures make this an age-worthy yet approachable wine.

### PAIRING IDEA

Zucchini stuffed with Korean ground beef and topped by gruyere.
