Diane's Update

VINEYARD ACTIVITY

So, we're coming up on our annual adventure: harvest! At the end of July, only the Pinot at Matrix had started veraison. Overall this year is looking like we'll be having a smallish crop, as the clusters seem small, and I'm only seeing two per cane on the vine. Often there are more, which we sometimes drop for quality control. This is the same across all the varieties I've been using, with the Merlot, Pinot, Zin, and Sauvignon Blanc all seeming small. I'm not sure about the Cab or Chardonnay right now. But, I've been hearing from other growers across the board, with everyone thinking it will be a smaller, earlier crop. This may bode well if we do get some early rain in October (ever hopeful).

After the two minor heat waves, everything is really looking okay. It wasn't too brutal, and most of the properties with grapes did not go over 100°. We haven't started leaf pulling as of end of July. We had that one year when we pulled too soon and then had a heat wave at the end of July, and ended up with burned fruit. We've been having gorgeous weather through the end of July and into the first weeks of August. The nights are cooling down to the 50's, so that will help develop a nicer crop.

CELLAR ACTIVITY

By the end of July, we had completed all of the July topping at Wilson, and I had finished adding any missing oak that was still needed. The bottling is all finished, except that we are waiting on the port bottling. The glass coming from Europe has been holding us up, along with many other folks waiting on glass bottles from overseas. I'll be bottling 100 cases of Zinfandel Port. It is tasting really nice, after being barrel aged for three years. I'm looking forward to that!

TRAVEL PLANS

I have been running my trails, lots of time spent up around Lake Sonoma (the water level is extremely low), and Riverfront Regional Park. I run with a friend, and Ben, our ten year old border collie, usually comes with me. Some parks don't take dogs, but at Riverfront we can run out to Wohler Bridge, and Ben gets to jump into the water. I've also tried out Taylor Mountain Regional Park, which has very pretty views, nice wide trails, and really pretty views of Santa Rosa.

I'm heading to Canada for the last part of August. Ken's been there for a while already. I'll be there for three weeks, and happily, all the kids are coming up for about eleven days together, so I'm looking forward to that very much. I keep thinking about our Baltic Cruise coming up in summer 2022, so we are keeping our fingers crossed things in Europe will be open and fully operational well in advance of that date. I'll see you back at the winery in September!

Wine Club Update

A NOTE FROM DEE

We hope you are all having a wonderful Summer! It is hard to believe that Fall is sneaking upon us so quickly and we are thrilled to introduce our 2019 vintage with you! One of the advantages of being apart of the Barrel club is, you get to be the first ones to try them! The whole team agrees, 2019 was a stellar year! They wines are juicy, full-bodied with a ton of structure! You are in for a treat to say the least!

It has been a hot summer here in Dry Creek Valley with mostly 90/100 degree temperatures. We are in a several drought and we pray everyday for a rain storm to sneak up in hopes of watering everything. Our lakes, rivers and reservoirs are nearly empty, therefore we are in dire need of rain. On a positive note, we've had zero fires and the vines are looking healthy and beautiful as ever! Grapevines sure do amaze me with their resilience and ability to withstand just about anything.

We have exciting news! Wine Road is moving forward with Wine & Food Affair this year. If you've never been, I highly suggest putting this event on your calendar. This happens to be one of my favorite events for a few different reasons. I always refer to this event as being warm and cozy! It sets the mood for the holidays and the wine and food pairings are always top notch leaving your palate dancing and your belly full! Keep an eye on future emails with details. You can always check for updates by visiting the Wine Road website at www.wineroad.com.
